

52784WA Painters Registration

About this Course

This course meets the requirements of those seeking registration with the Department of Mines, Industry Regulations and Safety (Building Commission).

On completion of the required courses you are required to submit the appropriate Painters Registration application form to the Building Commission and follow their process.

You can find more information here:

<https://www.commerce.wa.gov.au/building-commission/painting-practitioner-registration>

There are three pathways into this course:

1. People who hold a Certificate III in Painting and Decorating or a qualification equivalent to this, or
2. People with skills and experience in painting and decorating who can demonstrate this in a practical test which is a subset of the Certificate III in Painting and Decorating & proven 5 years painting experience, or
3. People who are deemed by the Painters' Registration Board to merit special entry.

Items There are two definable client groups:

Group 1

First, people who have graduated in WA, or have equivalent qualifications, and wish to develop and/or demonstrate their skills and competencies to become registered painters. This group need to complete the Business & Estimating courses.

- Business
- Estimate
- Evidence Required – Painting Trade Certificate or Equivalent

Group 2

The second group are people who do not have trade qualifications and need to demonstrate their painting knowledge and skills as well as develop and/or demonstrate competencies to be recognized as registered painters with 5 years Painting Experience.

- Business
- Estimate
- Prepare Surfaces
- Trade Test
